## **ARTICLE V**

### *Faculty Sponsorship and Liaison with Secretariat*

The Young Professional Network will typically be hosted by a single University, Company or Administration and shall show to the IAHR Secretariat evidence of faculty or senior staff sponsorship and/or support in order to ensure continuity of purpose and activities in conformity with the rules and regulations governing the Young Professional Network. This requirement is linked to the relatively rapid change over in Committee members inherent to a YP Network! To this end the committee needs to submit to the Secretariat:

- (a) The agreement of at least one faculty member or senior engineer to serve as Advisor of the Network – it is to be expected that this person would normally be an established IAHR member;

- (b) An announcement of new officers, and an updated membership list must be submitted to the IAHR Secretariat annually, at the beginning of each calendar year;
- (c) A description of special programmes and activities for release to IAHR publications must be submitted to the secretariat at least once per year;
- (d) The IAHR Secretariat needs to be kept informed of the faculty/staff sponsor and official contact person for the Young Professional Network (a committee member of the Young Professional network – usually the President). This usually needs to be done after each election.

## **ARTICLE VI**

### *Committee*

- 1. The Executive Committee shall consist of all the officers. They shall have general supervision of the work of the YP Network and shall perform such other duties, as the chapter shall determine;
- 2. There shall be as many committees with as many members as deemed necessary by the Executive Committee to carry on the work of the Network. Committee chairpersons are appointed by the YP Network President with the approval of the officers.

### *YPN Advisors*

- 3. The faculty/staff advisor shall normally be a member of IAHR (either individually or through his/her University or Organisation). This is important in order to ensure that the Advisor can support the YP Network by facilitating links with the parent Association.

## **ARTICLE VII**

### *Meetings, Procedures and Quorums*

- 1. A minimum of at least one meeting of the entire Network shall normally be held on a semestral or quarterly basis. Special meetings of the Network may be held at the call of the President or upon written request of 20% of the membership. Other IAHR members should be welcome to attend the meetings of the YP Network if the Executive Committee so desires, but other attendees should be asked to make a financial contribution as an incentive to membership!
- 2. A quorum at any meeting of the Young Professional Network shall be at least 25% of the members of the Network.

## **ARTICLE VIII**

### *Financial Affairs*

- 1. The fiscal year shall normally coincide with the calendar year;
