IAHR Seoul National University Young Professionals Network (IAHR SNU YPN)

2020 Annual Report of Activities

1. Introduction

The IAHR SNU YPN was created at the Seoul National University (SNU) in Seoul, South Korea in July 2020. The chapter started out with 12 members, all of them from graduate program at department of civil & environmental engineering in SNU. We aimed to promote awareness on recent hydro-environmental issues and provide a communication platform to share ideas, experience, and knowledges.

2. 2020 main goal and key objectives

1. catalyse professional thinking and knowledge to improve the research works through the seminars.
2. globally share member's great experience to broaden their research horizon by participating to international congresses.

6. Contributing to the strategic plan

The IAHR technical committee on Education and Professional Development organized the 1st Young Professional Congress to globally encourage the researchers to interact each other so that the synergy makes our works get better. As a part of the community, we presented our key works through the webinar and had a communication with the mentors and peers from abroad. This activity was great opportunity to broaden our research horizon. These our efforts will contribute to the IAHR's purpose to provide the international network.
