The International Association for Hydro-
Environment Engineering and Research

About us

The International Association for Hydro-Environment Engineering and Research (IAHR), founded in 1935, is a worldwide independent organization of engineers and water specialists working in fields related to the hydro-environmental sciences and their practical application.

IAHR accomplishes its goals by a wide variety of member activities: working groups, research agenda, congresses, conferences, workshops and short courses, journals, monographs and proceedings.

Hosted by
Spain Water
and IWHR, China

The collage displays 24 covers of the journal 'hydrolink', organized in a 4x6 grid. Each cover has a unique design and theme, often featuring a headline and a small image. The themes include:

- Cover 1 (top left):** 'hydrolink 1' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 2 (top second):** 'hydrolink 2' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 3 (top third):** 'hydrolink 3' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 4 (top fourth):** 'hydrolink 4' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 5 (second row first):** 'hydrolink 5' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 6 (second row second):** 'hydrolink 6' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 7 (second row third):** 'hydrolink 7' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 8 (second row fourth):** 'hydrolink 8' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 9 (third row first):** 'hydrolink 9' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 10 (third row second):** 'hydrolink 10' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 11 (third row third):** 'hydrolink 11' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 12 (third row fourth):** 'hydrolink 12' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 13 (bottom row first):** 'hydrolink 13' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 14 (bottom row second):** 'hydrolink 14' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 15 (bottom row third):** 'hydrolink 15' with a headline 'WATER SECURITY' and an image of a person in a boat.
- Cover 16 (bottom row fourth):** 'hydrolink 16' with a headline 'WATER SECURITY' and an image of a person in a boat.

Publication Frequency: 4 issues per year.
