

# 1st Edition IAHR JoE Best Paper Award and Best Reviewer Award

## Nomination Form

The [JoE Best Paper Award and Best Reviewer Award](#) recognise outstanding papers and reviewers who contributed to the [Journal of Ecohydraulics](#) and aims at encouraging scientists to contribute to the varied research in the field of ecohydraulics. Both awards were established in 2021 (starting in 2022) by IAHR and the [China Institute of Water Resources and Hydropower Research \(IWHR\)](#) and are given biennially to two authors of the paper judged the most outstanding paper and two reviewers judged to provide most outstanding reviews of the paper submitted to JoE.

The Call for nominations for the 2023 edition of the Award is currently open until **12 December 2022 (12 p.m.)**. Please find here a [list of authors and papers published in JoE which are open for nomination](#).

All nominations must be submitted via email to [publications@iahr.org](mailto:publications@iahr.org)
