

IAHR TSINGHUA UNIVERSITY YOUNG PROFESSIONALS NETWORK

2022 Annual Report of Activities

1. Our vision and mission

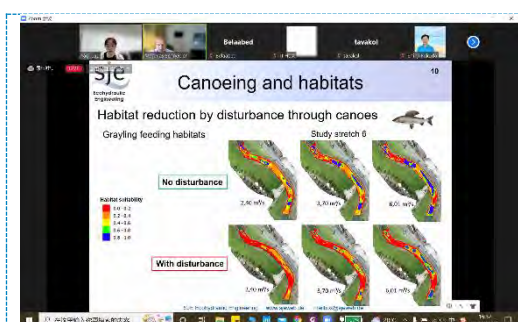

The IAHR Tsinghua University YPN was established in 2015 and is an organisation of students and young professors from Tsinghua University working in fields related to hydro-environmental sciences. Our goal is to provide a platform for members to communicate with other researchers worldwide.

2. Main goals and key objectives in 2022

The main goal of the Tsinghua YPN is to provide a variety of online and offline communication opportunities to excellent scholars for our members, and carry out some offline activities under an appropriate condition.

3. Activities in 2022

Activity 1

The 2022 International Symposium on Ecohydraulics

Date/s

10-13 October 2022

Venue

Nanjing, China. Held online

Objectives

Raising awareness about water issues

Description

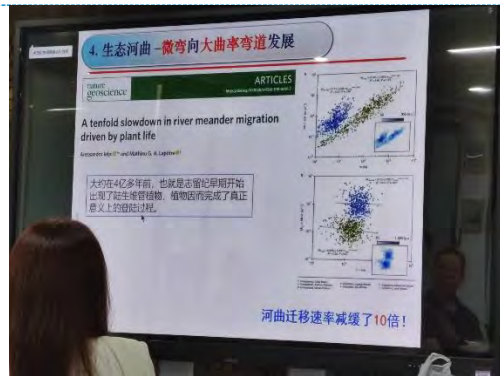

Ecohydraulics is a rapidly developing inter-discipline of ecology and hydraulics brought about by the ever-growing concern of aquatic and riparian ecology. ISE provides an interactive lecture for a helpful technical tool applied in one of these three topics: (1) fieldwork, (2) lab

| | |
|--|---|
| | experiments, and (3) numerical simulations, and rotates among them in the future. |
|--|---|

Activity 2

| | |
|---|---|
|  | Commemoration of the 100 th anniversary of Qianning's birth |
| | Date/s 27 November 2022 |
| | Venue Beijing, China. Also accessible online |
| | Objectives Commemorate Qianning and provide an opportunities to share great progress in sediment researches |
| | Description Qianning is an excellent scientist focusing on sediment and management of rivers. In this activity, we commemorate Qianning and review the progress in sediment researches, as well as provide an opportunity for researches share their valuable work. |

Activity 3

What are the researches published in the top issue like

Date/s

Every Thursday afternoon

Venue

Beijing, China.

Objectives

Delivering opportunities for professional development

Description

Every Thursday we invite a professor to share his or her work and inspire young researchers to design their work.

Activity 4

How to write a good doctoral thesis

Date/s

Every two weeks, Friday

Venue

Beijing, China.

Objectives

Delivering opportunities for professional development

Description

Every two weeks we hold a workshop on doctoral thesis. We invite some professors to interpret excellent

| | |
|--|---|
| | doctoral theses of Tsinghua University. |
|--|---|

Activity 5

| | |
|---|--|
|  | Talk on work and life of young researchers |
| | Date/s Every two weeks, Friday |
| | Venue Beijing, China. |
| | Objectives Motivating membership |
| | Description Every two weeks we hold a salon for young researchers to share their work. In a free atmosphere, we would also talk about work – life balance. |
