IAHR YOUNG PROFESSIONAL NETWORK

Report 2022

Young Professionals Network has always been arranging different informative and healthy events for the students of NFC-IEFR since its formation.

The IAHR-YPN conducted two different events in 2022. These are as under:

- 1) How to win foreign scholarships?
- 2) Webinar on Environmental Impact Assessment (EIA)

1) How to win foreign scholarships?

A seminar was arranged by YPN regarding the guidance of winning different scholarships in the educational career of a student. Scholarships can be very helpful in a student's life. They help a student in minimizing his financial stress and to grab more opportunities by using these financial aids in his/her educational career.

Scholarships can be the helping hand in the educational career of a student and he/she can tough the unbeatable heights of his/her career. The students of NFC-IEFR fell a short in grabbing scholarship opportunities due to the lesser availability of Scholarship in Federal institutions and a Semi-Govt educational institute.

So, there was a dire need of such a seminar where students can be guided for gaining different scholarships which can help them to fulfil their educational needs and those who are willing to travel abroad for their further education.

Venue:-

For the accommodation of maximum participants the seminar was held at **Auditorium
Electrical Engg. Dept. NFC-IEFR.**

Date:-

The seminar was held on 28 February 2022, Monday

Resource Person/Instructor:-

The chief speaker/instructor for this seminar was Mr. Muhammad Bilal Hussain having a vast experience for training students for studying abroad and providing guidelines for gaining foreign scholarships.

He is a well-known Professional Trainer guiding the students who're interested in studying abroad since **7 years**. He has been guiding the students for foreign scholarships. He had delivered his worthy presentations at more than **100+ Locations** within Pakistan. And almost **300+** of his students has gained Foreign Scholarships.

His prestigious achievements are:

- 07 Bands Holder in IELTS
- Erasmus Mundus Scholarship Holder.

He is currently serving as:

- Lecturer at Dept. of Food Sciences GC University Faisalabad.
- Coordinator of Dept. of Food Sciences GC University Faisalabad.
- CEO at career counselling organization Motivator.
- Blogger at ARY News.

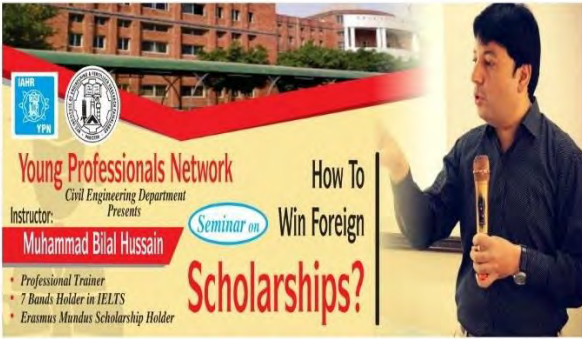

Event description:-

The seminar begun with Tilawat-e-Quran and Naat Shareef, and after that the lecture was delivered by the instructor. The seminar was continued for 2.5 hours. Almost 140 students took part in this fruitful seminar. At the end of seminar shield of appreciation was presented to the worthy speaker by our respected Advisor YPN **Prof. Dr. Saqib Ehsan** and honorable Head Civil Engg. Dept. **Dr. Ashraf Javid**. Lunch Boxes were also distributed among the participants.

Expenses:-

All the expenses of event was fulfilled by the amount generated by the registration fee/tickets of the seminar which was Rs-300/-
