

SYMPOSIUM CHAIR

Tomasz Kolerski
Gdańsk University of Technology
tomasz.kolerski@pg.edu.pl

LOCAL ORGANIZING COMMITTEE

Parisa Radan (secretary)
Beata Jaworska-Szulc
Dominika Kalinowska
Joanna Kaliszuk
Krzysztof Szarf
Katarzyna Weinerowska-Bords

SCIENTIFIC COMMITTEE MEMBERS

Paul Barrette (Canada)
Xinlei Guo (China)
Hayo Hendrikse (Netherlands)
Agnieszka Herman (Poland)
Knut Høyland (Norway)
Katarzyna Jankowska (Poland)
Tomasz Kolerski (Poland)
Raed Lubbad (Norway)
Junji Sawamura (Japan)
Hung Tao Shen (United States)
Jukka Tuhkuri (Finland)
Qing kai Wang (China)

CONTACT INFORMATION

Postal address:
Narutowicza 11/12, 80-233 Gdańsk, Poland
Phone: 48 58 347 1902

KEYNOTE SPEAKERS

**Keynote will be announced
on conference webpage
and social media platforms.**

TOPICS

**The Symposium will cover
the following areas of ice research,
including river, alke and sea ice:**

- River, lake, and reservoir ice
- Sea ice
- Ice mechanics and hydraulics
- Ice interaction with structures
- Shipping in ice
- Environmental and ecological consequences of climate change in the cryosphere

Second Announcement

**Advances in Ice Research
and Applications**

The 27th IAHR International Symposium on Ice

**9-13 June 2024
Gdańsk, Poland**

Find more:

Hosted by
Spain Water
and IWHR, China

The 27th International Symposium
on Ice is supported by:

VENUE

The symposium will be held at the main building of Gdańsk University of Technology (GdanskTECH), Poland. The live transmission of the symposium will be provided. Although, the online participation is not considered.

ACCOMODATION

There will be a number of rooms available with special discounts for the participants. These cooperating hotels are in Gdansk-downtown and by the shore of the Baltic Sea as well as at a walking distance of the university. Additionally, rooms at the university campus with economical standard of accommodation are available.

FEES

Early bird registration

Regular participant:	500 €
IAHR members:	450 €
Students:	240 €
Polish participants:	1200 PLN

Late registration (after May 1st)

Regular participant:	550 €
IAHR members:	500 €
Students:	280 €
Polish participants:	1500 PLN

For participants from low-income countries based on the current world bank classification, a special reduced fee is allocated.

PARTICIPATION

- Template of the manuscript and submission rules are on the conference website.
- Maximum manuscript length is 12 pages with exceptions. Decisions related to breaking the limitation of the papers length will be on the scientific committee members and Symposium chair.
- The process for indexing of the papers in Scopus is already started. Each paper will gain individual DOI number.
- Topics of the special sessions are open. In case of having any suggestions, please contact the organizing committee via email. Your suggestions will be forwarded to the scientific committee.
- Each special session must have at least 4 papers.
- For the manuscript length limitation of the special sessions, the same rule will be provided.

IMPORTANT DATES

Abstract submissions opens	Sep. 15, 2023
Abstracts due	Nov. 15, 2023
Notification on abstract acceptance	Dec. 22, 2023
Full paper for review due	Feb. 15, 2024
Reviewed paper returned to authors	April 1, 2024
Final paper submission	April 15, 2024
Early bird registration ends	May 1, 2024
Symposium	June 9-13, 2024

STUDENT COMPETITION

A competition among the students based on the scientific professionalism and presenting quality will be held, and an award will be granted. Students holding the student status at the time of supplying the paper who are first or corresponding author and present the research with no more than four co-authors will enter the competition.
