

# IAHR Wuhan University Young Professionals Network

2023 Annual Report  
of Activities

---

**Young  
Professionals  
Network**

*Hosted by*  
Spain Water and IWHR, China

## 1. Our vision and mission

IAHR Wuhan University YPN was established in 2011 and is an organisation of students and young professors working in fields related to hydro-environmental sciences from Wuhan University. Our goal is to provide a platform for members to communicate with other researchers worldwide. Our slogan is Incentive, Assistance, Horizon, and Responsibility.

## 2. Main goals and key objectives in 2023

Enriching the way of activities and expanding the influence of the IAHR.

## 3. Activities in 2023

The 12th English Academic Poster Contest

### Date/s

27 April 2023

### Venue

Wuhan, China

### Objectives

*To improve students' ability to present research contents to others by Poster, and to improve their English writing and speaking skills.*

### Description

*The "English Poster Contest" imitates international academic conferences to provide members with a platform to present scientific research results and promote academic*

*exchanges. It creates a strong academic atmosphere in the college.*
