41st IAHR World Congress Submission Instructions

This conference has its own instructions for authors. Press the button below to download these instructions.

 **Download in PDF**

Please select the track relevant for your submission and click "Continue".

Special Sessions

Track: * The 5th International Symposium of Coastal Resources and Environment (CORE 2025)

Continue

Upon clicking “[New Submission](#)”, the authors will be led to the submission page:

New Submission for 41st IAHR World Congress

[Submission templates](#)

Click on "Submission templates" to **download submission templates for this conference**.

Follow the instructions, step by step, and then use the "Submit" button at the bottom of the form. The required fields are marked by *.

Author Information

For each author please fill out the form below. Some items on the form are explained here:

- **Email address** will only be used for communication with the authors. It will not appear in public Web pages of this conference. The email address can be omitted for not corresponding authors. These authors will also have no access to the submission page.
- **Web page** can be used on the conference Web pages, for example, for making the program. It should be a Web page of the author, not the Web page of her or his organization.
- Each author marked as a **corresponding author** will receive email messages from the system about this submission. There must be at least one corresponding author.

The submission template for the abstract can be found here.

Upon clicking “Submission template”, the authors will be led to the submission template page:

Submission Templates for Authors

This conference has submission templates for authors uploaded by the conference organizers.
These template files are shown in the following table. Click on the download icon to download a file.

Title	Description	File name	download
CORE2025 track.	This is the submission template for CORE2025	CORE2025_Extended_Abstract_Template.docx	
Special Session Abstract	This is the submission abstract template for Special Sessions	Special Session_Abstract_Template.docx	

The submission template for the abstract can be downloaded here if there is a template to follow.

The authors are required to fill up their basic information:

Author 1 ([click here to add yourself](#)) ([click here to add an associate](#))

First name[†]: *

Last name: *

Email: *

Country/region: *

Affiliation: *

Web page:

corresponding author

Information for the main author

Author 2 ([click here to add yourself](#)) ([click here to add an associate](#))

First name[†]: *

Last name: *

Email: *

Country/region: *

Affiliation: *

Web page:

corresponding author

Information for the co-author (If any)

[Click here to add more authors](#)

The main author can also add more co-author fields when required.

[†] Note: leave first name blank if there is no first name. If you are not sure how to divide a name into the first and last name, [read the Help article about names.](#)

The authors are required to fill up the abstract title, abstract, and the keywords of their submission:

Title and Abstract

The title and the abstract should be entered as plain text, they should not contain HTML elements.

A screenshot of a web form for entering submission details. It features two input fields: a single-line text box for the title and a larger multi-line text area for the abstract. Both fields are currently empty.

Keywords

Type a list of keywords (also known as key phrases or key terms), **one per line** to characterize your submission. You should specify at least three keywords.

A screenshot of a web form for entering keywords. It features a multi-line text area with six lines of text, each starting with the label 'Keywords' followed by a number from 1 to 6. The text is: 'Keywords 1', 'Keywords 2', 'Keywords 3', 'Keywords 4', 'Keywords 5', and 'Keywords 6'.

Please key in the keywords one per line as shown in the guide here.

The authors are required to choose their abstract topic:

Special Sessions

Topics

Please select topics relevant to your submission from the following list. Topics are typically used for assigning submissions to reviewers and for conference analytics.

- | | |
|---|---|
| <input type="checkbox"/> Special Session: Adaptive management of riparian vegetation in the era of climate change | <input type="checkbox"/> Special Session: Advanced technologies applied for Flash Flood Defence and Management |
| <input type="checkbox"/> Special Session: Dam Safety: Addressing modern challenges and future risk | <input type="checkbox"/> Special Session: Debris and Driftwood Accumulation at Hydraulic Structures |
| <input type="checkbox"/> Special Session: Earth Observation to monitor land and water ecosystems | <input type="checkbox"/> Special Session: Emerging Issues for Water Management in Remote Regions with Interplay of Climate Change Social, Economic, and Environmental Factors |
| <input type="checkbox"/> Special Session: Flood adaptation and resilience | <input type="checkbox"/> Special Session: Flood hazard projections and adaptation strategies in low lying coastal areas |
| <input type="checkbox"/> Special Session: Impact of climatic extremes on river systems | <input type="checkbox"/> Special Session: Innovative Approaches to Urban Resilience: Addressing Flood Risks and Climate Adaptation |
| <input type="checkbox"/> Special Session: Innovative Water Engineering for Sustainable Development in Latin America | <input type="checkbox"/> Special Session: Integrated Flood Risk Management (IFRM): from Science to Practice |
| <input type="checkbox"/> Special Session: New Hydroinformatics Strategy and Application of Catchment Digital Twin | <input type="checkbox"/> Special Session: Outfall systems and effluent discharges |
| <input type="checkbox"/> Special Session: River Ethics and Water Engineering | <input type="checkbox"/> Special Session: Sediment management for reservoir sustainability |

| <input type="checkbox"/> Special Session: Transport dynamics of plastic pollution in aquatic environments | <input type="checkbox"/> Special Session: Trends and Variations in Hydroclimatic Variables: Links to Climate Variability and Change |
| <input type="checkbox"/> Special Session: Uniting for Water: Global Collaboration to Tackle Water Challenges | |

CORE2025

Topics

Please select topics relevant to your submission from the following list. Topics are typically used for assigning submissions to reviewers and for conference analytics.

- | | |
|--|--|
| <input type="checkbox"/> Session 1. (CORE2025) Estuarine hydrodynamics and sediment dynamics | <input type="checkbox"/> Session 2. (CORE2025) Biophysical interactions and biomorphodynamics |
| <input type="checkbox"/> Session 3. (CORE2025) Blue carbon in tidally dominated environments | <input type="checkbox"/> Session 4. (CORE2025) Estuarine systems as buffers against climate change |
| <input type="checkbox"/> Session 5. (CORE2025) Sustainability of human-sea coupled coastal wetland systems | <input type="checkbox"/> Session 6. (CORE2025) Technological advances and nature-based solutions |

- Only one topic is allowed in one submission.

The authors are required to choose which areas is the submission most related/ useful to:

Other Information and Files

Which of the following areas is your submission most related or useful to? You may select more than one option.

- Climate Change Adaptation and Mitigation
- Water for the Energy Transition, Food Security and Nature
- Improving resilience against water hazards and disasters
- Digital Transformation

- The authors may select more than one option.

This is only applicable for the authors who are registered IAHR members/ ORCID.

IAHR Member ID for Main Author. Please include the IAHR Member ID for Main Author here.

ORCID for Main Author. Please input the ORCID for the Main Author here.

IAHR Member ID for Co-Author. Please input the IAHR Member ID for Co-Author here.

ORCID for Co-Author. Please input the ORCID for Co-Author

IAHR Member ID for second Co-Author. Please include the IAHR Member ID for second Co-Author here.

ORCID for second Co-Author. Please include the ORCID for second Co-Author here.

IAHR Member ID for third Co-Author. Please include the IAHR Member ID for third Co-Author here.

ORCID for third Co-Author. Please include the ORCID for third Co-Author here.

- Please be reminded that these fields are not mandatory and are only applicable to authors who are registered IAHR members/ ORCID.

The authors are required to provide consent for IAHR data collection & upload their abstract here:

IAHR data collection consent. I consent for the collection, use and disclosure of my personal data by IAHR or any of its vendors and/or subcontractors both locally and overseas for the purpose of sending marketing and communication materials. This is an expressed consent that remains valid until consent is withdrawn, by clicking the button "unsubscribe" in the footer of any of IAHR communications. View IAHR privacy policy here: <<https://shorturl.at/koAQ>>

I consent

Extended Abstract. * Submission of an Extended Abstract in PDF format which composed the following structure: title, authors affiliations, keywords, abstract, content, and references; through the submission system. For more information, please email <abstracts@iahr2025-singapore.com.sg>

No file chosen

- The authors are required to provide consent for IAHR data collection as part of the abstract submission process.

- Only **ONE** file per submission
- Only **PDF format** is allowed

Ready?

If you filled out the form, press the 'Submit' button below. **Do not press the button twice: uploading may take time!**

Submit

Click "Submit" when the submission is completed.

An auto email comprising the to access the submission will be sent to the authors once they have submitted their abstract.

41st IAHR World Congress submission 2

 41stiahrworldcongress@easychair.org
To  Elisa Fam

 We removed extra line breaks from this message.
