

# IAHR Wuhan University Young Professionals Network

## Our vision and mission

IAHR Wuhan University YPN was established in 2011 and is an organisation of students and young professors working in fields related to hydro-environmental sciences from Wuhan University. Our goal is to provide a platform for members to communicate with other researchers worldwide. Our slogan is Incentive, Assistance, Horizon, and Responsibility

## Main goals and key objectives

Enriching the way of activities and expanding the influence of the IAHR.  
Cultivating composite talents adapted to future hydro-technological changes.

Strengthening inter-school collaboration and sharing resources.

- **Name:** 14th English Poster Design and Presentation Contest
- **Date:** May 16, 2025
- **Venue:** Wuhan, China

- **Description:** To improve students' ability to present research contents to others by Poster, and to improve their English writing and speaking skills. Description The "English Poster Contest" imitates international academic conferences to provide members with a platform to present scientific research results and promote academic exchanges. It creates a strong academic atmosphere in the college.

- **Name:** 2nd International Academic Conference Experience Sharing Seminar
- **Date:** April 11, 2025
- **Venue:** Wuhan, China
- **Objectives:** Enhance graduate students' academic communication skills and international perspective.
- **Description:** Information acquisition channels for international academic conferences, introduction to academic conferences in Water Resources, tips for academic presentations, experience and feelings of attending academic conferences

- **Name:** National Scholarship Sharing & Scientific Paper Writing Workshop
- **Date:** November 20, 2025
- **Venue:** Wuhan, China
- **Objectives:** Guide postgraduates in scientific research methods and paper writing logic.
- **Description:** Five national scholarship winners shared their research insights and paper writing strategies to help juniors plan their careers.

- **Name:** CSC Public Overseas Study Experience Seminar
- **Date:** December 2025
- **Venue:** Wuhan, China
- **Objectives:** To better understand students' research needs, collect suggestions for IAHR activities, and enrich the content of student chapter activities.
- **Description:** The "IAHR Activity Survey" questionnaire was distributed to different groups of students at different grade levels. A total of 86 valid questionnaires were collected. It was found that there was a high demand for model learning (WRF, Pycharm, mudflow, etc.), literature reading, and sharing of scientific research tools.
